

Stuart Casey-Maslen

Stuart Casey-Maslen is an international lawyer specialising in the effects of conventional weaponry and serves as the mine action editor of the *Landmine Monitor*. He holds a doctorate in international humanitarian law from the University of Tilburg in the Netherlands and a master's degree in international human rights law from the University of Essex in the United Kingdom. He has worked as a consultant for the Geneva International Centre for Humanitarian Demining on various aspects of mine action for eight years and previously as an advisor on landmines to the International Committee of the Red Cross in Geneva and UNICEF in New York and Geneva.
