TUESDAY 1 OCTOBER 2024, 18:30 – 21:30

This one-night-only of the film screening 'International Adoptions: A Global Scandal' - held in parallel with the 27th session of the UN Committee on Enforced Disappearances and co-organized by our Geneva Human Rights Platform, the Department of International Law, the Graduate Institute, and the UN Committee on Enforced Disappearances, will examine the ongoing unprecedented scandal surrounding international adoption. International adoption is currently at the heart of an unprecedented scandal: of the hundreds of thousands of babies adopted since the early 1950s, tens of thousands were stolen. In this documentary, we will join major investigative journalists, activists and researchers in South Korea, Sweden, France, Chile, Germany, the Netherlands and Switzerland.
